

VENUE

Space Divider

Venue seamlessly integrates into the open plan, collaborative team space, and the built environment with its slim architecture and mindful details. It is Venue's timeless design that allows this adaptive visual communications board to work with an existing conference room, collaboration space, or a new system within the open plan.

- Flexible and adaptive room dividers
- Create a boundary of space to define areas of collaboration and areas of concentration
- Divide personal space between benching seats and workstation clusters/packs
