

TRAK-IT

Sliding Board System

calyx by Claridge

Trak-It's double-sided panels provide flexible communication tools for training rooms, meeting rooms and collaborative spaces. Trak-it panels are available with LCS Porcelain markerboards on both sides, tackboards on both sides, or LCS Porcelain markerboard on one side and tackboard on the other. Easy-to-rearrange, double-sided panels multiply communication space. Trak-It rail sold separately.

- Panels available in sizes up to 3' x 4' in portrait or landscape as specified
- Aluminum rail comes in 10' lengths
- LCS Porcelain surfaces accept magnetic accessories
- Mix or match markerboard and tack surfaces on either side of the panel
- Tackboards in Calyx Cork, Guilford, Carnegie, Maharam, or pre-approved COM fabrics
