QUALITY & SERVICE

Calyx by Claridge visual display products and accessories offer unmatched performance and high style. A state-of-the-art production facility enables our skilled team to control quality at every step in the process. In addition to offering a broad selection of standard colors, surfaces and finishes, we can custom-craft most products to perfectly suit any space or task. Let our friendly and knowledgeable customer service staff help you create exactly what you need.

Contemporary business operates at a lightning pace, so we maintain standard product lines in stock for fast shipping and delivery. For custom product orders, Calyx Priority Response and On-Time Shipping provide a firm ship date.

We also conduct a number of “green” initiatives—from in-house recycling programs to using renewable resources and alternative materials—to reduce our environmental footprint and minimize exposure to harmful substances.

At Calyx by Claridge, we work to earn your trust and satisfaction from start to finish. That’s the way we do business — today and always.

Writing Surfaces and Standard Colors

A dry erase markerboard's effectiveness as a communication tool is only as good as its writing surface, which is the primary medium for exchanging visual information. Not all writing surfaces are equal, and the quality and composition of the material used to make them directly affect the user experience.
