

Horizontal Sliding Units

Wall-Mounted Sliding Boards

Horizontal Sliding Units are custom-built to meet your needs, providing optimum display surfaces within easy reach for teaching, conferences, and training. The sliding panels and back panels can be LCS Porcelain dry erase markerboard or chalkboard. Also, Calyx Cork, Fabricork, Guilford of Maine FR701 Fabric, Tan Nucork tackboard surfaces, or COM fabrics can be applied to any of these panels.

- LCS Porcelain sliding panels and back panel
- Top-suspended sliding panels glide easily over an aluminum track on nylon rollers
- Magnetic surface
- SCS Indoor Advantage Gold Certified

Samples available at:
