

Chromatyx Porcelain

Custom Printed Markerboards

Turn Your Whiteboard Into a Work of Art

Chromatyx Porcelain creates functional art with full color printing on porcelain by providing your own artwork or choosing from standard porcelain design patterns. Print anything from logos, to photos, to art, to anything you can think of!

LCS Porcelain features an incredibly smooth surface that delivers a great writing experience and will stand the test of time. The premium writing surface won't ghost or stain, and is warrantied for life.

- Standard porcelain design patterns available
- Choose from a variety of print locations for your graphic or choose "full board" to create a print that covers the entire surface. Perfect for art or photos. Landscape and portrait orientations available

SPECIFICATIONS

- Logos and custom printed graphics for standard sizes up to 8'h x 4'w (porcelain width is 1/8" smaller)
- Custom sizes and shapes available
- 4 standard colors - white, bone, light grey, and black
- Writing surface accepts magnetic accessories
